Scientific Games to Provide Mersoy Turizm with Broad Suite of Games and Table Products for Elexus Hotel Resort Casino, North Cyprus

The Agreement Covers 42 WMS Gaming Machines, 32 Bally Gaming Machines, and 37 Shuffle Master Table Products

LAS VEGAS and VIENNA– September 16, 2015 – [Scientific Games Corporation](#) (“Scientific Games” or the “Company”) today announced that one of its subsidiaries has signed an agreement with Mersoy Turizm Otelcik Islet. Ltd. Sti (“Mersoy Turizm”) to supply Mersoy Turizm with a broad portfolio of its *WMS* and *Bally*-branded gaming machines and *Shuffle Master* table products for Elexus Hotel Resort Casino in North Cyprus to drive casino revenue and empower an exceptional gaming experience for players.

Mersoy Turizm is owned by an international group that operates several resorts and travel agencies around the Globe. It conducted an extensive evaluation and competitive bidding process before choosing a broad array of Scientific Games' *WMS*, *Bally* and *Shuffle Master* products for its splendid, cutting-edge casino opening beginning of October. The Elexus Hotel Resort Casino, located on the amazing seaside of Girne, will be the largest resort in North Cyprus.

The Company's *Shuffle Master*-branded games will account for 100 percent floor share of new table products. Ibrahim Esen, Casino Director, Elexus Hotel Resort Casino, said, “We selected Scientific Games as our preferred business partner because of its diverse portfolio of gaming products combined with high-level product support. We fiercely believe that the popular *WMS*, *Bally* and *Shuffle Master* product brands will add tremendous gaming excitement for our customers and will help drive our revenues.”

Elexus Hotel Resort Casino will offer its customers Scientific Games' most powerful and sophisticated games platforms and more than 90 *WMS* and *Bally* game titles – accounting for up to 40 percent of the new electronic gaming devices on the casino floor. Also, the casino will open with Scientific Games' state-of-the-art video, spinning reel, and specialty game cabinets, including the newly introduced *WMS BLADE s23* cabinet and the *Bally Pro V27-27 Slant* cabinet.

Players will be thrilled by *Life of Luxury Progressive*, the first local-area progressive multi-game from *WMS* featuring up to five themes. Another highlight of the *WMS* games library is the *Game Chest HD Multi-Game* series. Delivering variety, flexibility and performance, the *Game Chest HD Multi-Game* series will bring a premium gaming experience to the Elexus Hotel Resort Casino slot player through its diverse range of popular games content. *Bally* themed games of the all crowd

pleasing *Game Xchange* and *MultiDeluxe* libraries will provide players with an unprecedented level of excitement. *MultiDeluxe* is a four-level standalone progressive with an interactive second screen feature, showcasing five incredible games in one cabinet. *Game Xchange*, Bally's next generation multi-game, offers players more variety – up to 10 game choices on one machine – without leaving the comfort of their seat.

Of the industry-leading *Shuffle Master* table products, the new casino will deploy 12 *ChipStar* chip sorting machines, 24 *Deck Mate 2* poker shufflers, and one *Deck Checker* card verification device. Today, the *Shuffle Master ChipStar* is increasingly becoming the product of choice by casino operators when it comes to chip sorting. This is owed to its outstanding sorting speed, doubtless Communauté Européenne conformity and virtually maintenance-free cutting edge technology. The well-established *Shuffle Master Deck Mate 2* poker shuffler comes with a shuffle time of just 22 seconds, features onboard card recognition and sorts cards back to a suited deck. Above all, the shuffler includes a remote touchscreen display and works with all card types and brands.

Marco Herrera, VP & Managing Director (EMEA) for Scientific Games, says, "Scientific Games is honored to partner with one of the industry's most innovative casino properties on both table products and gaming machines. Our deep industry knowledge, technology-driven products and passionate people will empower the Elexus Hotel Resort Casino to create the world's best gaming experience for the player, driving performance and results."

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements describe future expectations, plans, results or strategies and can often be identified by the use of terminology such as

"may," "will," "estimate," "intend," "plan," "continue," "believe," "expect," "anticipate," "target," "should," "could," "potential," "opportunity," "goal," or similar terminology. These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including, among other things: competition; U.S. and international economic and industry conditions, including declines in or slow growth of lottery retail sales or gross gaming revenues, reductions in or constraints on capital spending by gaming or lottery operators and bankruptcies of, or credit risk relating to, customers; limited growth from new gaming jurisdictions, slow addition of casinos in existing jurisdictions and declines in the replacement cycle of existing gaming machines; ownership changes and consolidation in the casino industry; opposition to legalized gaming or the expansion thereof; ability to adapt to, and offer products that keep pace with, evolving technology; ability to develop successful gaming concepts and content; laws and government regulations, including those relating to gaming licenses and environmental laws; inability to identify and capitalize on trends and changes in the gaming and lottery industries, including the expansion of interactive gaming; dependence upon key providers in our social gaming business; retention and renewal of existing contracts or entry into new or revised contracts; level of our indebtedness, higher interest rates, availability and adequacy of cash flows and liquidity to satisfy obligations or future needs, and restrictions and covenants in our debt agreements; protection of our intellectual property, ability to license third party intellectual property, and the intellectual property rights of others; security and integrity of our software and systems and reliance on or failures in our information technology systems; natural events that disrupt our operations or those of our customers, suppliers or regulators; inability to benefit from, and risks associated with, strategic equity investments and relationships, including (i) the inability of our joint venture to meet the net income targets or otherwise to realize the anticipated benefits under its private management agreement with the Illinois lottery (or in connection with any termination thereof), (ii) the inability of our joint venture to meet the net income targets or other requirements under its agreement to provide marketing and sales services to the New Jersey lottery or otherwise to realize the anticipated benefits under such agreement and (iii) failure to realize the anticipated benefits related to the award to our consortium of an instant lottery game concession in Greece; failure to achieve the intended benefits of the Bally acquisition or the WMS acquisition, including due to the inability to successfully integrate such acquisitions or realize synergies in the anticipated amounts or within the contemplated timeframes or cost expectations, or at all; litigation relating to the Bally acquisition; disruption of our current plans and operations in connection with the Bally acquisition and the WMS acquisition (including in connection with the integration of Bally and WMS), including departure of key personnel or inability to recruit additional qualified personnel or maintain relationships with customers, suppliers or other third parties; costs, charges and expenses relating to the Bally acquisition and the WMS acquisition; inability to complete or successfully integrate future acquisitions; incurrence of restructuring costs, revenue recognition standards and impairment or asset write-down charges; fluctuations in our results due to seasonality and other factors; dependence on suppliers and manufacturers; risks relating to foreign operations, including fluctuations in foreign currency exchange rates and restrictions on the payment of dividends from earnings, restrictions on the import of products and financial instability, including the potential impact to our instant lottery game concession or VLT lease arrangements resulting from the recent economic and political conditions in Greece; dependence on our key employees; litigation and other liabilities relating to our business, including risks relating to product defects or other claims relating to products; influence of certain stockholders; and stock price volatility.

Additional information regarding risks, uncertainties and other factors that could cause actual results to differ materially from those contemplated in forward-looking statements is included from time to time in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 17, 2015 (including under the headings "Forward Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
