Scientific Games' Exclusive Partnership with Playboy Continues with New Slot and Tables Products to Debut at the Global Gaming Expo 2015

New Games to Include Global Music Superstar Pitbull and Gorgeous Playmates

LAS VEGAS – September 28, 2015 – [Scientific Games Corporation](#) (NASDAQ: SGMS) (“Scientific Games” or the “Company”) will showcase its exclusive partnership with Playboy in booth #1126 at the 2015 [Global Gaming Expo](#) (G2E) at the Las Vegas [Sands Expo & Convention Center](#), Sept. 29-Oct. 1.

The Company will debut two new *Playboy*™ products: *Playboy Don't Stop the Party!*, a progressive video slot featuring *Playboy Playmates*™ and Pitbull on the *ALPHA 2 Pro Theater* cabinet with a Pro Sound Chair, and [Tablemaster Fusion – Playboy Bonus Blackjack](#), the first-ever licensed brand ETS product.

“Scientific Games has the exclusive rights to *Playboy*-themed wagering games for use on casino premises worldwide,” said Matthew Nordby, President of Global Licensing at Playboy Enterprises, Inc. “Over the past 15 years, Scientific Games’ brands have created more than 50 *Playboy*-themed gaming machines, including *Playboy Hot Zone*, *Playboy Platinum*, and *Playboy Down Under*.”

This year, Scientific Games introduces *Playboy Don't Stop the Party!*, a progressive video slot featuring *Playboy Playmates* and global music superstar Pitbull. The game will entertain players with three hit songs from Pitbull, popular play mechanics, and a five-level progressive jackpot, including a potentially life-changing wide-area progressive award on the *Bally Cash Connection* link that is sure to heat up casino floors.

Also being shown for the first time at G2E is *Tablemaster Fusion – Playboy Bonus Blackjack*. This one-of-a-kind blackjack game features the first-ever licensed brand ETS product that incorporates a community “slot-like” bonus round and highlights the beauty of four *Playboy Playmate* dealers. The *Tablemaster Fusion* line uses a high-definition, 75-inch 4K display for the attractive virtual dealers as well as 22-inch widescreen player terminals with touchscreen betting, enhanced graphics, and multiple side bets.

Additionally, visitors to G2E can also see other *Playboy*-themed games in the Scientific Games booth, including *Playboy Midnight Diamonds*, *Playboy Sunset Sapphires*, and *Playboy Hot Shot*.

“*Playboy* slots have been some of the most successful games on casino floors for many years,” said Steven M. Saferin, Scientific Games’ President, Properties. “We are excited to continue our exclusive partnership and to work closely with *Playboy* in all areas of our gaming business.”

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements describe future expectations, plans, results or strategies and can often be identified by the use of terminology such as "may," "will," "estimate," "intend," "plan," "continue," "believe," "expect," "anticipate," "target," "should," "could," "potential," "opportunity," "goal," or similar terminology. These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including, among other things: competition; U.S. and international economic and industry conditions, including declines in or slow growth of lottery retail sales or gross gaming revenues, reductions in or constraints on capital spending by gaming or lottery operators and bankruptcies of, or credit risk relating to, customers; limited growth from new gaming jurisdictions, slow addition of casinos in existing jurisdictions and declines in the replacement cycle of existing gaming machines; ownership changes and consolidation in the casino industry; opposition to legalized gaming or the expansion thereof; ability to adapt to, and offer products that keep pace with, evolving technology; ability to develop successful gaming concepts and content; laws and government regulations, including those relating to gaming licenses and environmental laws; inability to identify and capitalize on trends and changes in the gaming and lottery industries, including the expansion of interactive gaming; dependence upon key providers in our social gaming business; retention and renewal of existing contracts or entry into new or revised contracts; level of our indebtedness, higher interest rates, availability and adequacy of cash flows and liquidity to satisfy obligations or future needs, and restrictions and covenants in our debt agreements; protection of our intellectual property, ability to license third party intellectual property, and the intellectual property rights of others; security and integrity of our software and systems and reliance on or failures in our information technology systems; natural events that disrupt our operations or those of our customers, suppliers or regulators; inability to benefit from, and risks associated with, strategic equity investments and relationships, including (i) the inability of our joint venture to meet the net income targets or otherwise to realize the anticipated benefits under its private management agreement with the Illinois lottery (or in connection with any termination thereof), (ii) the inability of our joint venture to meet the net income targets or other requirements under its agreement to provide marketing and sales services to the New Jersey lottery or otherwise to realize the anticipated benefits under such agreement and (iii) failure to realize the anticipated benefits related to the award to our consortium of an instant lottery game concession in Greece; failure to achieve the intended benefits of the Bally acquisition or the WMS acquisition, including due to the inability to successfully integrate such acquisitions or realize synergies in the anticipated amounts or within the contemplated timeframes or cost expectations, or at all; litigation relating to the Bally acquisition; disruption of our current plans and operations in connection with the Bally acquisition and the WMS acquisition (including in connection with the integration of Bally and WMS), including departure of key personnel or inability to recruit additional qualified personnel or maintain relationships with customers, suppliers or other third parties; costs, charges and expenses relating to the Bally acquisition and the WMS acquisition; inability to complete or successfully integrate future acquisitions; incurrence of restructuring costs, revenue recognition standards and

impairment or asset write-down charges; fluctuations in our results due to seasonality and other factors; dependence on suppliers and manufacturers; risks relating to foreign operations, including fluctuations in foreign currency exchange rates and restrictions on the payment of dividends from earnings, restrictions on the import of products and financial instability, including the potential impact to our instant lottery game concession or VLT lease arrangements resulting from the recent economic and political conditions in Greece; dependence on our key employees; litigation and other liabilities relating to our business, including risks relating to product defects or other claims relating to products; influence of certain stockholders; and stock price volatility.

Additional information regarding risks, uncertainties and other factors that could cause actual results to differ materially from those contemplated in forward-looking statements is included from time to time in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 17, 2015 (including under the headings "Forward Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
