LAS VEGAS, Feb. 26, 2018 /PRNewswire/ -- Scientific Games Corporation (NASDAQ: SGMS) ("Scientific Games" or "the Company") today announced it has closed on the acquisition of a majority stake in E-SYS Tecnologia EM Informática S.A. ("EsysnetG"), a video bingo content studio based in Sao Paulo, Brazil.

"We are excited to welcome EsysnetG into the Scientific Games family. This acquisition will enable us to provide our customers with expanded, engaging video bingo content and is yet another example of our continued investment in solutions that help the Company offer the broadest portfolio of innovative products in the industry," said Scientific Games' Group Chief Executive, Gaming Derik Mooberry.

Mauricio Lara, the founder of EsysnetG, has a long history of developing math models, engines, and video bingo content for multiple markets.

This acquisition provides Scientific Games access to EsysnetG's existing and future video bingo content for the development of online, mobile, and land-based games that can be placed in markets around the globe.

EsysnetG is a privately held company and financial terms were not disclosed.

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 3, 2017 (including under the headings "Forward Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
