LAS VEGAS, Sept. 25, 2017 /PRNewswire/ -- Scientific Games Corporation (NASDAQ: SGMS) ("Scientific Games" or the "Company") will showcase its vast collection of casino, lottery and interactive solutions to empower the player experience at the Global Gaming Expo ("G2E") October 2-5 at the Sands Expo in Las Vegas.

Scientific Games Chief Executive Officer and President Kevin Sheehan said, "Every year we raise the bar at G2E, and this year our innovation teams have elevated the game significantly, with a huge portfolio of new game content, stunning new slot cabinets, and the industry's most advanced lottery and interactive B2B solutions. And what truly sets our booth apart is our exclusive *JAMES BOND* showcase, where we will debut our first products based on the incredible *BOND* franchise. We are excited to bring our customers the most innovative products in the industry."

The centerpiece of Scientific Games' G2E exhibit this year is the immersive **JAMES BOND Experience**, made possible through the exclusive agreement with EON Productions Limited, Danjaq, LLC and MGM Interactive Inc., a subsidiary of Metro-Goldwyn-Mayer Inc., which gives Scientific Games the rights to leverage all past and future iconic *JAMES BOND* films, as well as the film's talent portraying *JAMES BOND*.

- Scientific Games reveals its first *JAMES BOND* experiences – bringing to life the action, excitement, thrills, sophistication, and intrigue synonymous with one of the highest-grossing film franchises of all time. Scientific Games will unveil *JAMES BOND CASINO ROYALE* on the new *Gamefield 2.0™* platform, *JAMES BOND GOLDFINGER*, featured on the *TwinStar J43™ with iReels* platform and *JAMES BOND DIAMONDS ARE FOREVER* on the *Blade™ with Wheel* cabinet.

Known for its innovation in cabinet design and engaging content, Scientific Games debuts innovative technology and hot new content on sophisticated, sleek new platforms at G2E:

- The towering **TwinStar® V75**, featuring a bold 75-inch curved Ultra HD monitor, emotive lighting with holographic LEDs; dual re-spin bet buttons, an oversized 24-inch *iDeck* and a patent-pending simple assembly design. This showstopper debuts with *MONOPOLY™ Hot Shot®*, which combines the iconic *MONOPOLY* brand with player-favorite *Hot Shot* Game-in features.
- The new sensational **TwinStar J43** amazes with a spectacular 43-inch curved display that is impressive sleek technology and innovation. Featuring industry-leading hardware and thrilling multimedia lighting and sound, the *J43* will feature the next generation *Zeus Unleashed™* and showcase the iconic *WONDER WOMAN* games based on the beloved 1970s live-action TV show.
- The new **TwinStar J43** with *iReels* features the best of all worlds, integrating the traditional feel of a stepper cabinet, the dynamic graphic capabilities of a contemporary HD display, and an engaging transmissive LCD panel that provides a dramatic effect by allowing video to be displayed over the reels. This new cabinet debuts with *JAMES BOND GOLDFINGER*, *THE LORD OF THE RINGS™ RULE THEM ALL* and *Cash Spin Deluxe*.
- Capturing fan-favorites, **Bally® Classic High-Denomination Steppers** are being released on the popular **TwinStar** cabinet. Some of the most beloved classic games from the Bally library include *Blazing 7s®*, *Bonus Times*, *Black & White® 5x Pay*, and *Double Jackpot Triple Blazing 7s*.

Leveraging its international game content, Scientific Games is introducing its successful global games to the US.

- Scientific Games highlights new **Lock It Link**® titles *Cats, Hats, And More Bats*™ and *Eureka Reel Blast*™, following on the phenomenal international success of this Near Area Progressive series.
- Also on display will be the fabulous **Fortunes 3**™ game. This title takes three amazing *Duo Fu Duo Cai*® games and places them on a multi-game platform. The games include *Echo Fortunes*™, *Fu Daddy Fortunes*™ and the original *88 Fortunes*®.

In its expansive *Bally Systems* area, Scientific Games highlights its award-winning casino and slot management systems solutions, with a focus on:

- **Mobile / Cloud-Based Solutions** developed to empower operators to stay connected to their customers and to their business. With Scientific Games mobile solutions, players can receive promotional offers, check their loyalty points and even play casino games on their mobile device. The cloud-based and mobile solutions enable casino management to stay close to their business, even when they are not on the floor.
- **iVIEW 4**, the Company's next generation of on-device messaging technology, features a cutting-edge web content management solution and supports HTML5 content for more effective marketing at the point of play, while empowering a new level of player engagement with analytics, rules and scheduling features.
- **Praxis Analytics**™, a groundbreaking solution that leverages predictive analytics and machine-learning external data sources to develop intelligence on casino players, and then converts the analytics into action, providing recommendations to maximize revenues from the player base.

Scientific Games' electronic table games and its proprietary table games promote player excitement and operator profitability.

- An electronic table games G2E highlight, **Fusion Hybrid**, provides concurrent betting on live Baccarat, Roulette Sic Bo, and three new games: *Stadium Blackjack™*, *Stadium Three Card Poker™* and *Casino War®* games. Via a one-touch tab, *Fusion Hybrid* enables players to access gameplay on up to four different live table games, without leaving their seats. Available with five to 300 seats for stadium-type environments, configurations are endless.
- **EZ Baccarat®**, the most popular baccarat brand in the US and Canada will also be showcased. *EZ Baccarat* is played exactly as the traditional game but takes no commission and features the fantastical *Dragon 7®* and *Panda 8®* side bets. *EZ Baccarat* tables are available in over 180 casinos and card rooms worldwide.

SG Interactive empowers mobile player engagement with personalized offers, consumer-favorite social casino games, and portrait mode RGS content.

- SG Interactive will offer live demonstrations of the enhanced **SG Universe®**, a comprehensive, proprietary product suite featuring the *Mobile Concierge* platform, *Play4Fun Network™* social casino, and *Core Systems Integration* technology. The next generation of *SG Universe* includes an intuitive interface, and exciting, never before seen customization options.
- Scientific Games will highlight its proven Remote Game Server ("RGS") game library with high-performing recent launches, new portrait mode content and highly popular titles such as *Fu Dao Le®*, *MONOPOLY Bring the House Down*, *Zeus® God of Thunder*, *THE WIZARD OF OZ™ ROAD TO EMERALD CITY*, and more.

Scientific Games brings exciting sports-betting action to G2E with **SG Sports™**, an enhanced omni-channel solution for online and retail fixed odds sports betting.

Developed for secure integration with land-based casino gaming systems, lottery central gaming systems, and licensed interactive-only operators, *SG Sports* will be demonstrated on the **PlayCentral® EX** and new small-form self-service terminals for payment, redemption, and verification.

- **PlayCentral EX** delivers an expansive betting program in real time, including unlimited sports, events and markets. Designed to work well in a variety of bet shops and retail locations, this easy-to-navigate terminal can be used as an end-to-end sports betting solution or as an integral part of the omni-channel *SG Sports* platform to deliver pre-game and in-play excitement.
- Scientific Games' new, small-form **self-service betting terminal** featuring a 15" touchscreen allows players to place sports bets, receive a printed bet slip, and check status through a barcode reader.

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on

Form 10-K filed with the SEC on March 3, 2017 (including under the headings "Forward Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
